

CHEMICAL STORAGE

The Wade Double Door Chemical Store provides secure, practical storage for 220-litre drums and other farm chemicals. Its wide double-door opening allows easy access, while the freestanding design can be repositioned when required. Lockable and built for everyday use.

Door Size	Approx Weight	Dimensions (LxWxH)
Single Door	1,300 Kg	2800 x 1600 x 2010 mm
Double Door	1,300 Kg	2800 x 1600 x 2010 mm
